Re: FA Charter Standard - Congratulations

Dear Club

I am delighted to inform you that Birmingham County FA Development Scheme has approved your **Charter Standard Development Club** application.

The clubs application met all FA criteria and will be forwarded to The FA for final approval. The FA will contact the club directly to congratulate you on your achievement and will forward your certificate & award pack shortly after.

Congratulations to all those involved in the running of the club, both on and off the pitch and in producing a successful application. I hope as a Charter Standard club you will use the award to your advantage and engage in the opportunities offered to you by Birmingham FA over the next year. It is a great achievement, recognised nationally and I hope you will contact your local press, community groups, and sponsors to notify them of your achievement.

All Charter Standard Clubs must now set out to complete Enhanced CRB checks for all volunteers. CRB disclosure forms can be obtained from:  
FA CRB Unit, 1Wilford Buisness Park, Ruddington Lane, West Bridgford, Nottingham. NG11 6EP – 0115 969 4600

Congratulations again for acknowledging the importance of raising the standards within your club and I look forward to working with your club in the near future.

Yours sincerely,

Heidi Lockyer  
Football Development Officer (Clubs & Volunteers)
