Dear Richard

Re: Charter Standard Application

I wanted to take this opportunity to congratulate you personally on achieving Charter Standard Development status.

The application itself was a delight to assess as it portrayed to me a perfectly laid out document.
If only all Charter Standard applications were like the one that you submitted on behalf of Brinklow FC the whole process would run so smoothly.

I always like to hold on to the applications for a while to make sure that everything runs through smoothly and while the document is in my care I hope that you don't mind that I refer to it to others as an example of best practice.

Once again Richard, thank you for all your hard work and I look forward to working with you in the future.

Yours sincerely,

Heidi Lockyer
